

SoluoPrint - Premium All-in-One Print Shop Management (Print/Job management, CRM, Financial Management & Analytics Platform, Automated SMS Notifications) - Comprehensive User Manual & Visual Evidence Guide

Author: Peter Borngreat-Mensah (Student Index: 22424679)

Course: CSCD 602 - Advanced Software Engineering, Department of Computer Science, University of Ghana.

NOTE: User Manual Scope

This operational user manual provides detailed step-by-step guidance for Shop Administrators, Press Staff, and Customers, verified with high-resolution visual evidence captured from the live deployment at <https://print.soluotech.com>.

1. Shop Administrator Login Interface

Secure login page for shop owners and administrative staff. Authenticates using email/password against Supabase Auth RLS policies.

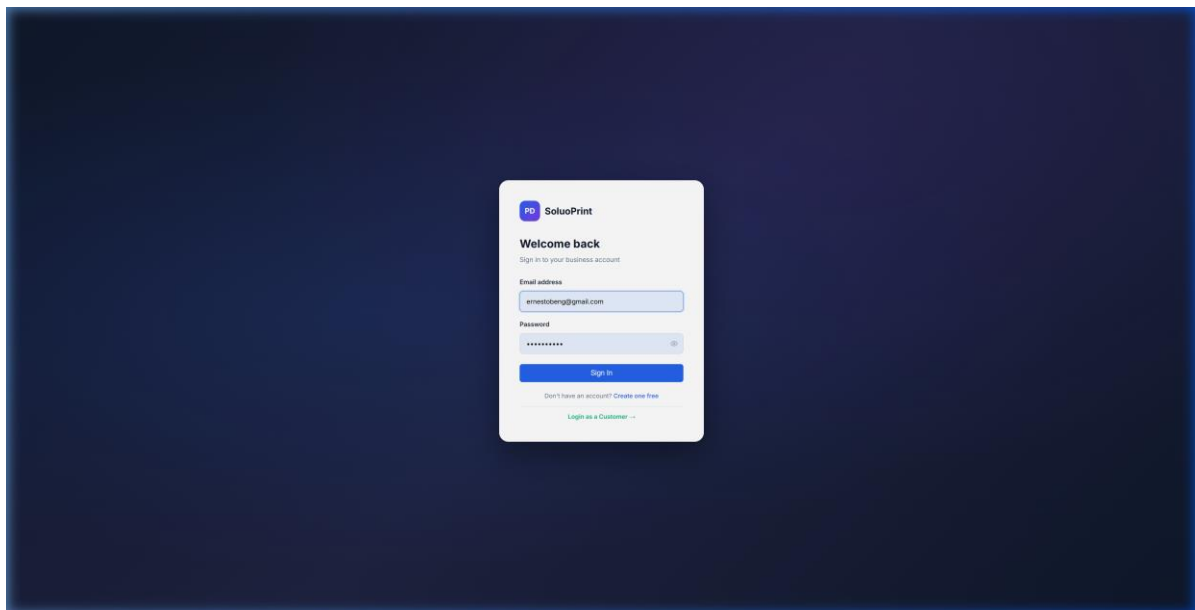

Figure Evidence: 1. Shop Administrator Login Interface

2. Customer Portal Login Interface

Dedicated portal login allowing customers to sign in using their unique customer code (e.g., CUST-BENM-8564 / r1i9kpvb or CUST-1001) or email address.

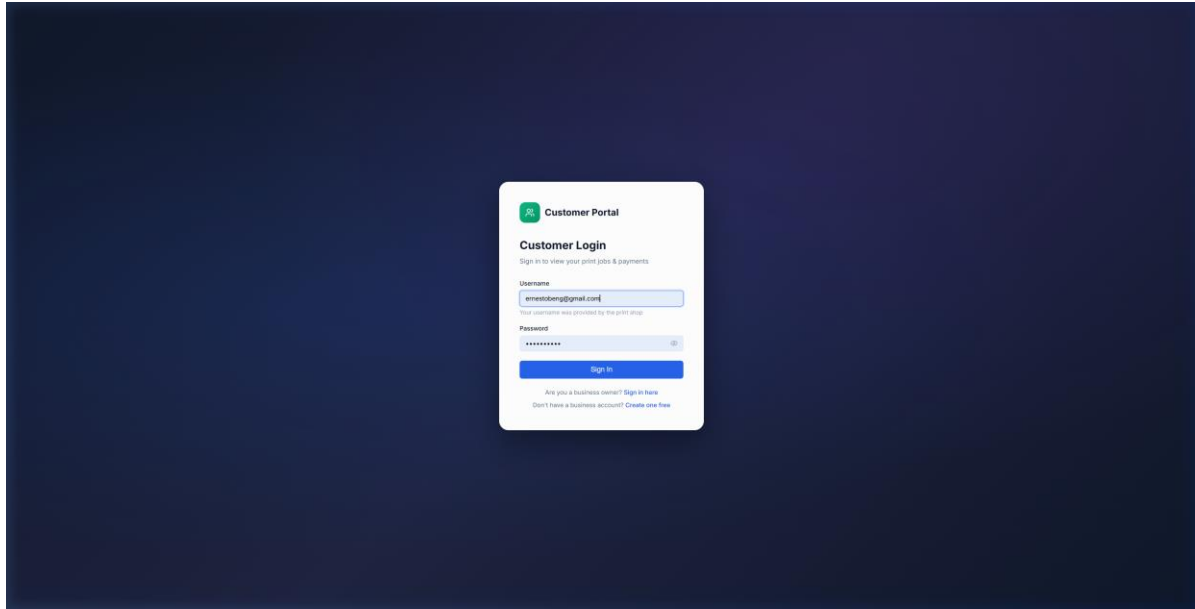

Figure Evidence: 2. Customer Portal Login Interface

3. Company Onboarding & Registration Form

Registration screen for onboarding new printing businesses with business name, currency selection, and 2FA verification step.

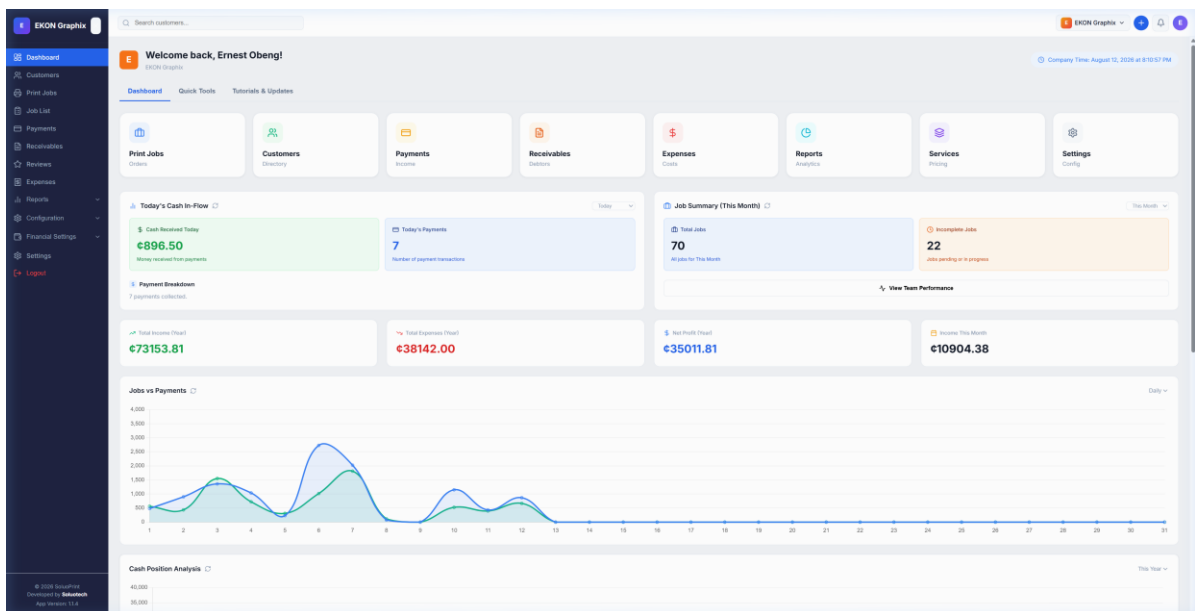

Figure Evidence: 3. Company Onboarding & Registration Form

4. Admin Dashboard Command Center

Central analytics hub displaying real-time financial KPIs (Total Revenue, Total Expenses, Net Cash Position), job status distribution pie charts, and transaction feeds.

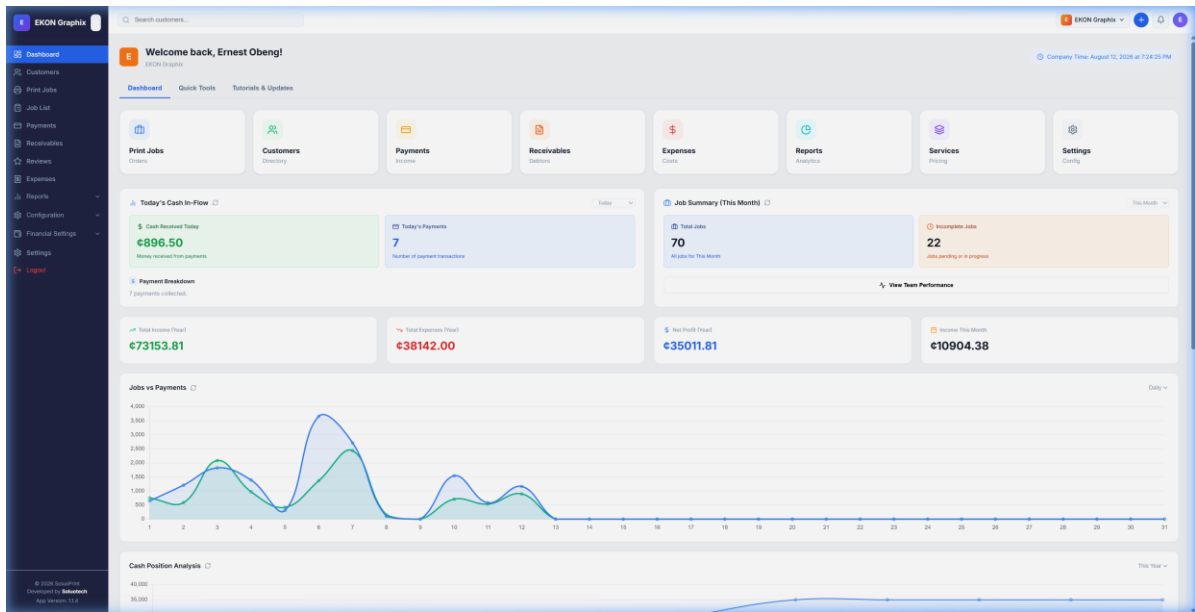

Figure Evidence: 4. Admin Dashboard Command Center

5. Customer Directory & CRM

Manage client profiles, monitor individual account balances, view portal credentials, and configure automated SMS notification preferences.

Figure Evidence: 5. Customer Directory & CRM

6. Single Print Job Creation Form

Intake single custom print jobs with instant pricing. Supports Large Format Banners, Posters, and custom dimensions with automatic unit conversions.

Job Details

Showing 11 categories

Job Date: 12-Aug-2028

Customer: [Select or search...] Service: [Select or search...] Unit Price (\$): 0.00

Service Details
Standard service pricing applies based on quantity.

☐ Override with Custom Total Price

Quantity: 1 Assign To: Unassigned Total: € 0.00

Notes: Special instructions or requirements...

Buttons: Cancel, Create and Close, Create and New

Price Adjustments: Discount, Premium

Figure Evidence: 6. Single Print Job Creation Form

7. Bulk Print Job Creation Form

Intake multi-item commercial orders. Automatically populates preset sizes (Stickers 2x2, 3x3, 4x4, A4/A3 Sheets, Banners) with width, height, unit, and unit price populated atomically.

The screenshot displays the 'New Bulk Job' form in the EXOR Graphics application. The interface includes a dark sidebar with navigation links: Dashboard, Customers, Print Jobs (active), Job List, Payments, Receivables, Reviews, Expenses, Reports, Configuration, Financial Settings, Settings, and Logout. The main content area is titled 'New Bulk Job' and features a 'Job Date' of '12-Aug-2026'. It contains sections for 'Customer' (with a search bar), 'Services' (with a table for adding items), and 'Order Notes' (with a text area). A summary panel on the right shows 'Gross Total' as € 0.00, 'Discount (%)' as 0, 'Premium (%)' as 0, and 'Grand Total' as € 0.00, with a 'Create Bulk Job' button at the bottom.

Item #	Category	Service	Unit Price (€)	Quantity	Subtotal
1				1	€ 0.00

Figure Evidence: 7. Bulk Print Job Creation Form

8. Print Job Production Pipeline

Track active jobs through production states (Pending, In Progress, Completed, Delivered). Enables staff to update job statuses and trigger automated SMS alerts.

10. Service Categories & Form Assignments

Define service category taxonomies and assign specialized input form layouts (Large Format, Sticker Sheet, Standard) to services.

The screenshot shows the 'Service Categories' management page in the EKON Graphics software. It features a sidebar with navigation options like Dashboard, Customers, Print Jobs, Job List, Payments, Receivables, Reviews, Expenses, Reports, Configuration, and Services. The main area displays a table of service categories, each with a category name, description, form type, and a list of services. The categories are: Banner, Brochure, Customization, Design, Embroidery, General Printing, Others, Outsourced Services, Passport, Picture Frame, and Stickers. Each category has a corresponding form type (e.g., Large Format, Simple) and a list of services (e.g., Banners, posters, signs, and wide-format printing services).

#	CATEGORY NAME	DESCRIPTION	FORM TYPE	SERVICES	ACTIONS
1	Banner	Banners, posters, signs, and wide-format printing services	Large Format	2	...
2	Brochure	-	Simple	1	...
3	Customization	-	Simple	5	...
4	Design	Graphic design, layout services, and creative work	Simple	2	...
5	Embroidery	Custom embroidery and textile decoration services	Simple	2	...
6	General Printing	-	Simple	15	...
7	Others	-	Simple	15	...
8	Outsourced Services	External services and third-party vendor work coordination	Outsourced	1	...
9	Passport	-	Simple	1	...
10	Picture Frame	-	Simple	15	...
11	Stickers	-	Simple	17	...

Figure Evidence: 10. Service Categories & Form Assignments

11. Payment Intake & Transaction Log

Record payments across Cash, Mobile Money, Visa/Mastercard, or Bank Transfer. Instantly updates customer balance and generates digital receipts.

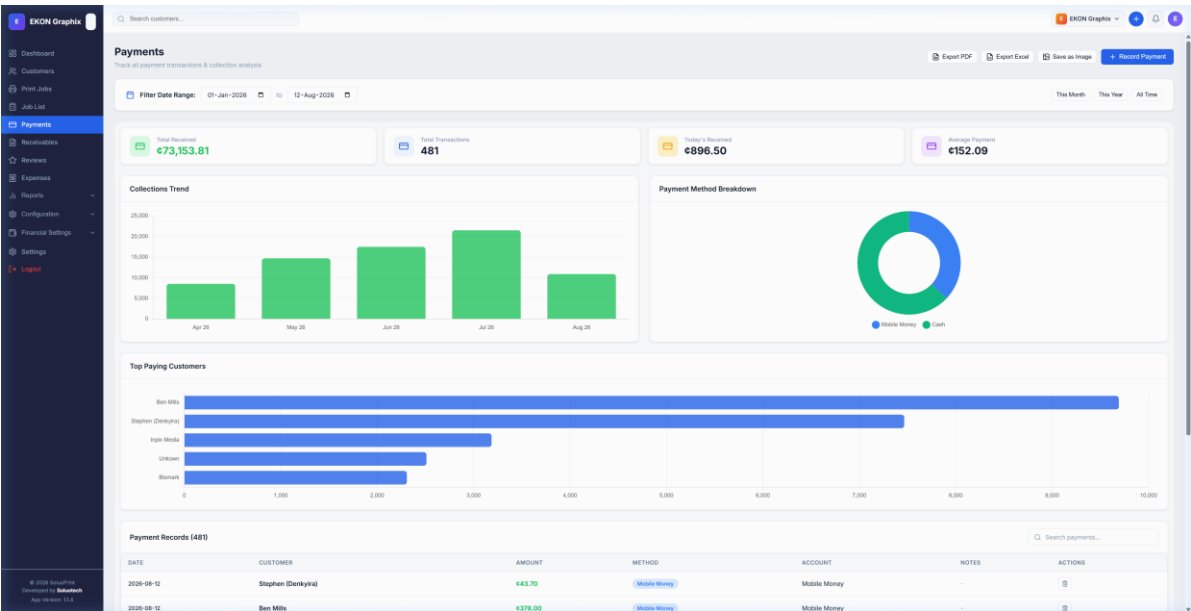

Figure Evidence: 11. Payment Intake & Transaction Log

12. Business Expense Logging

Log operational expenditures, raw material procurement costs, ink/media stock purchases, and overhead expenses tagged with ledger accounts.

Figure Evidence: 12. Business Expense Logging

13. Receivables & Outstanding Balances

Monitor clients owing money, view company-wide outstanding debt totals, and launch 1-click payment collection modals.

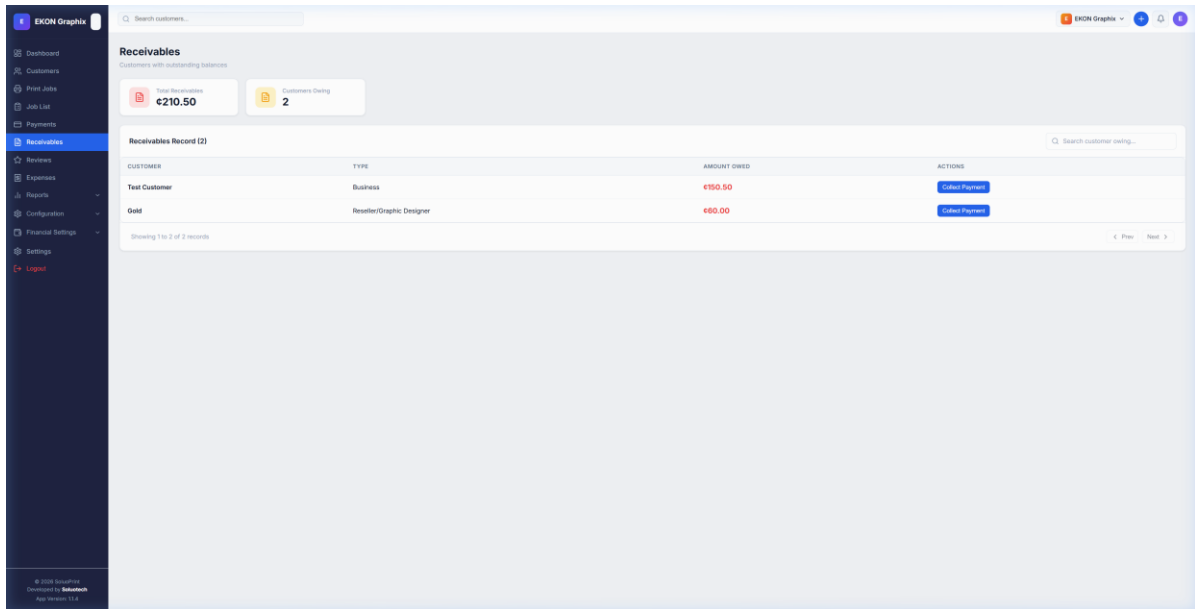

Figure Evidence: 13. Receivables & Outstanding Balances

14. Revenue Analytics & Reports

Comprehensive revenue breakdown featuring date pickers, monthly collections trend bar graphs, and export to PDF, Excel, or PNG.

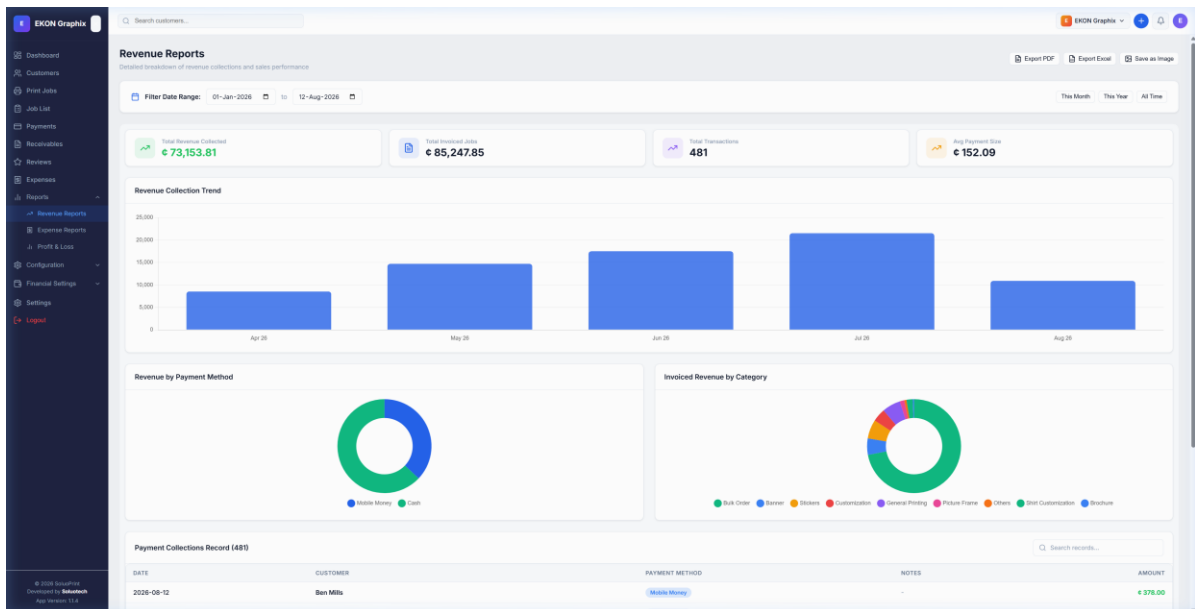

Figure Evidence: 14. Revenue Analytics & Reports

15. Expenditure & Expense Reports

Expenditure analysis featuring date range filtering, expense account pie charts, monthly trend graphs, and table search with pagination.

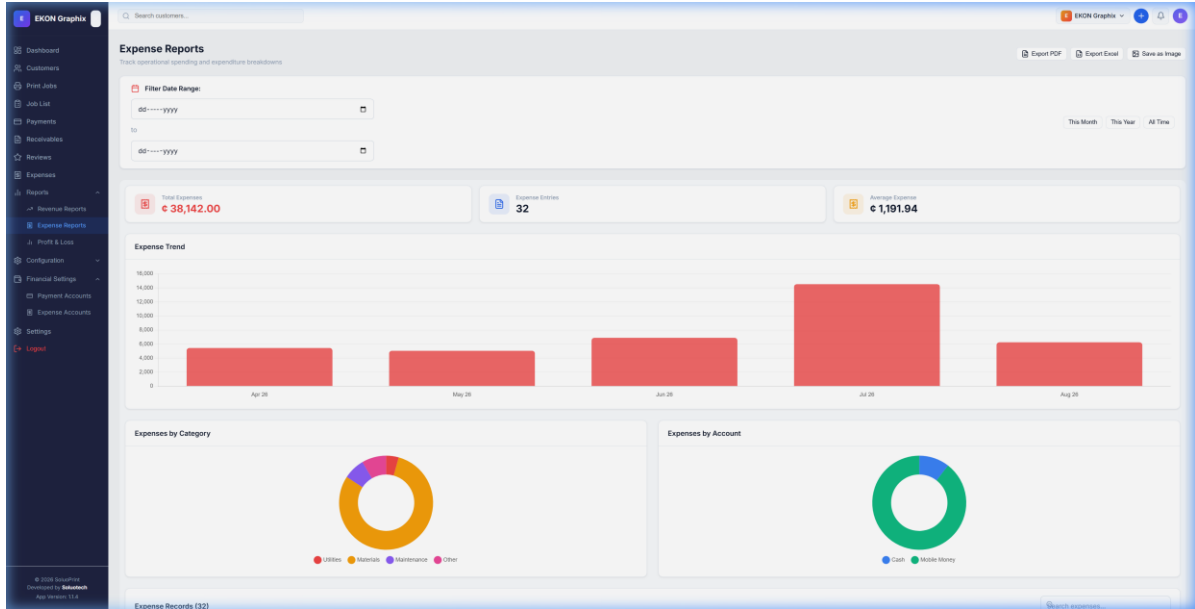

Figure Evidence: 15. Expenditure & Expense Reports

16. Net Profit & Loss Statement

Executive financial P&L report comparing total incoming revenue against total expenses, featuring monthly P&L tables and export toolbar.

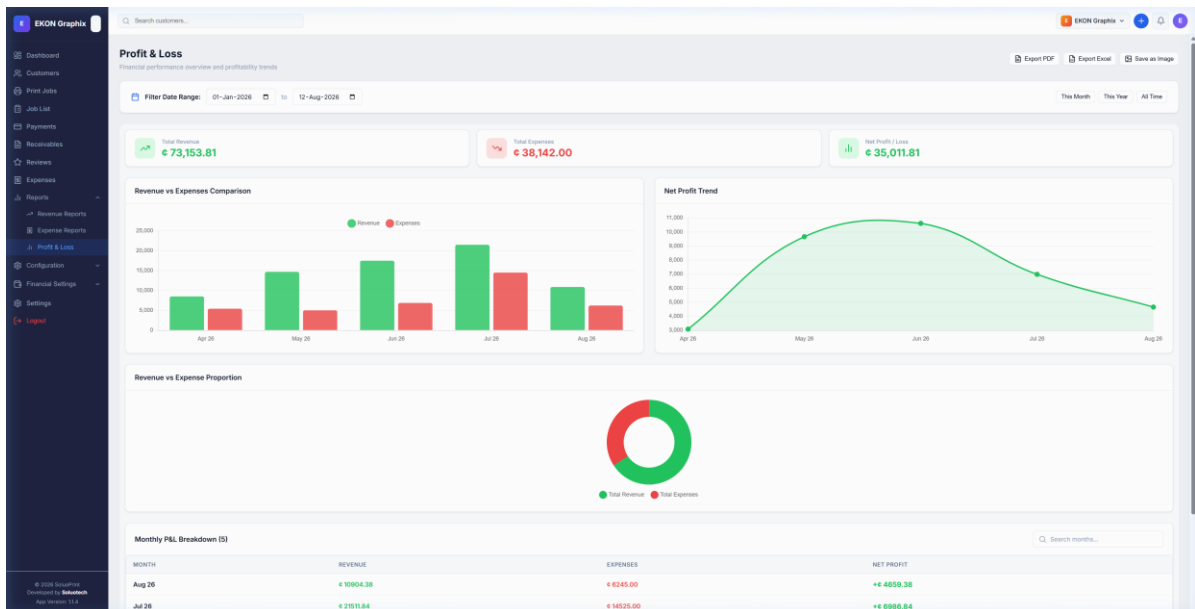

Figure Evidence: 16. Net Profit & Loss Statement

17. Customer Reviews & Feedback

View client ratings, satisfaction reviews, and feedback comments submitted via the self-service customer portal.

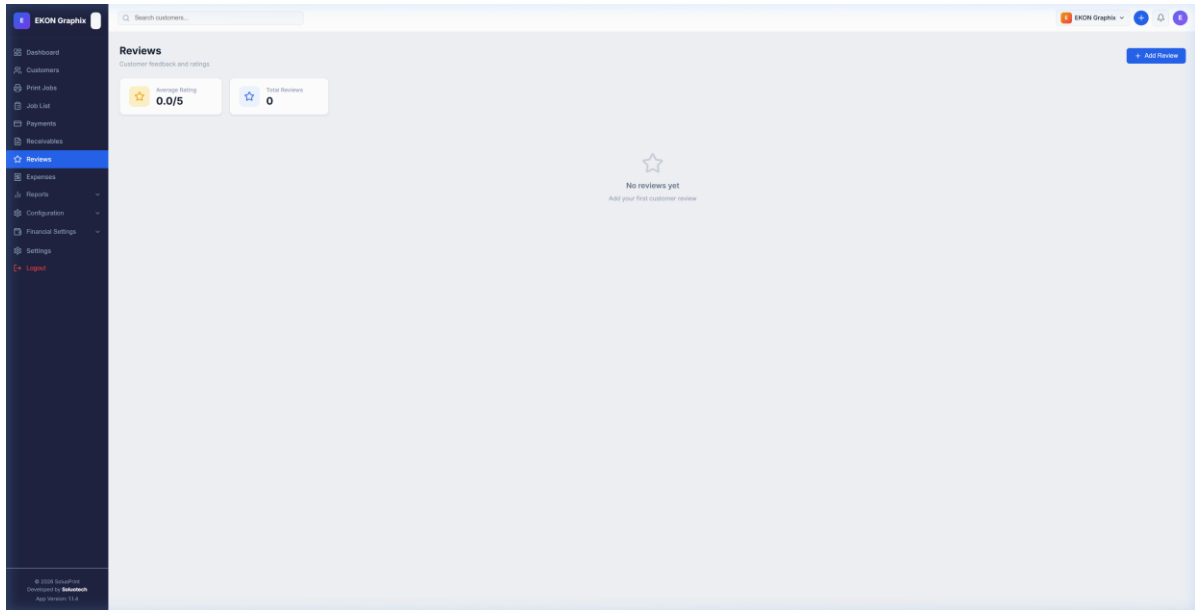

Figure Evidence: 17. Customer Reviews & Feedback

18. General Business Settings

Configure company profile details, business name, initial currency symbol (¢, \$, €), and custom SMS sender ID.

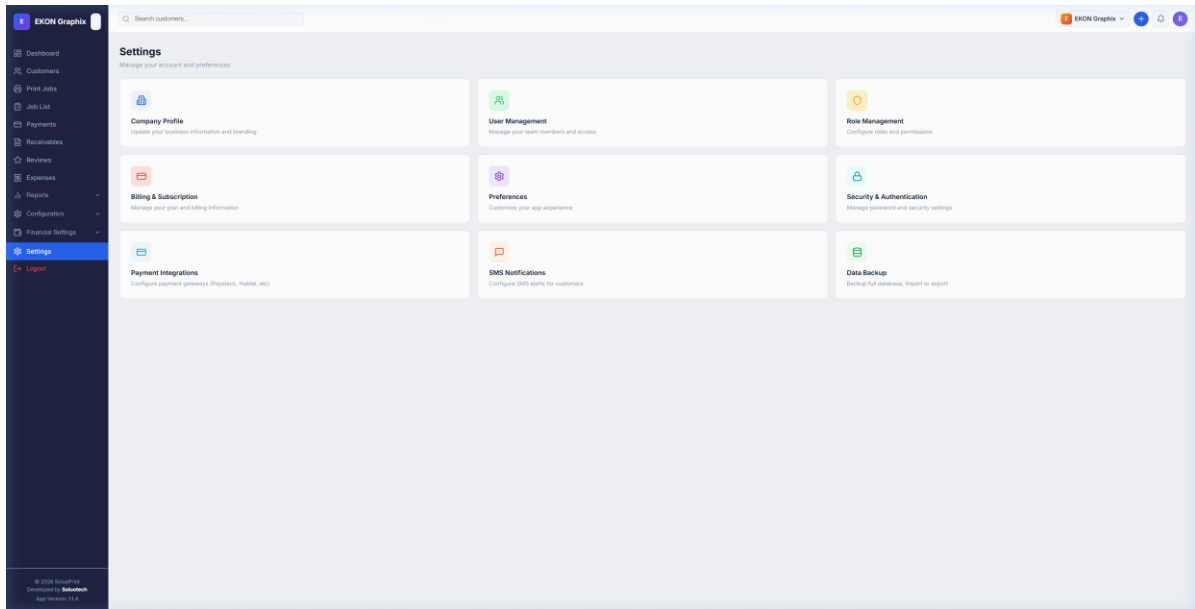

Figure Evidence: 18. General Business Settings

19. Preset Sizes Configuration

Manage custom dimension presets (A4, A3, Stickers, Banners) available in single and bulk order forms.

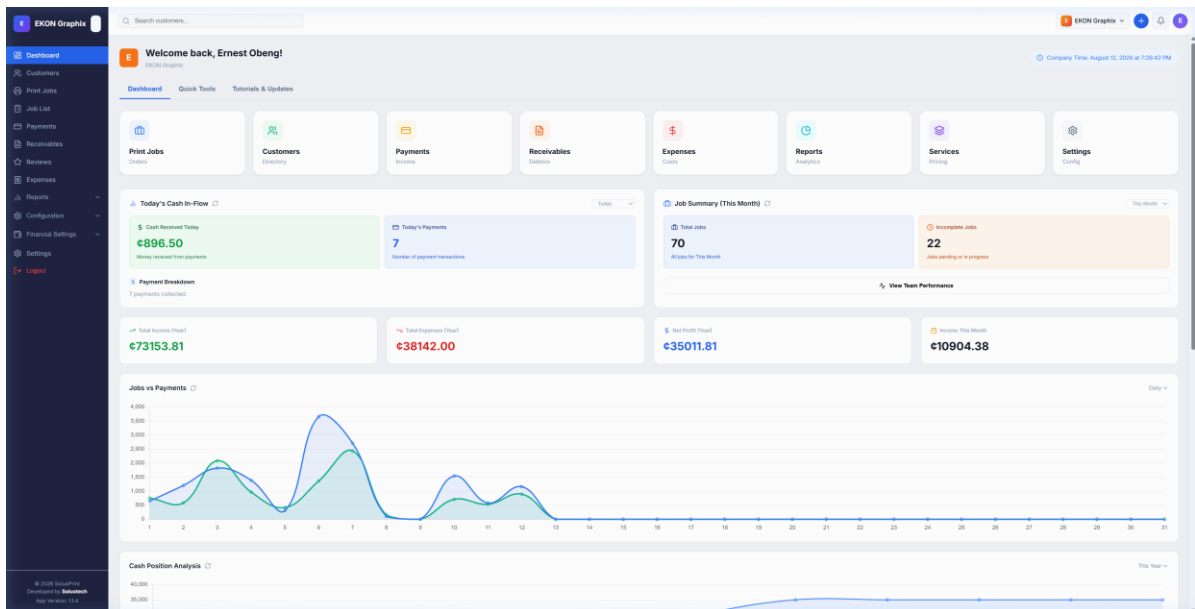

Figure Evidence: 19. Preset Sizes Configuration

20. Customer Types & Tiered Discounts

Define customer tiers (Retail, Commercial, Agency, VIP) and configure default percentage discounts.

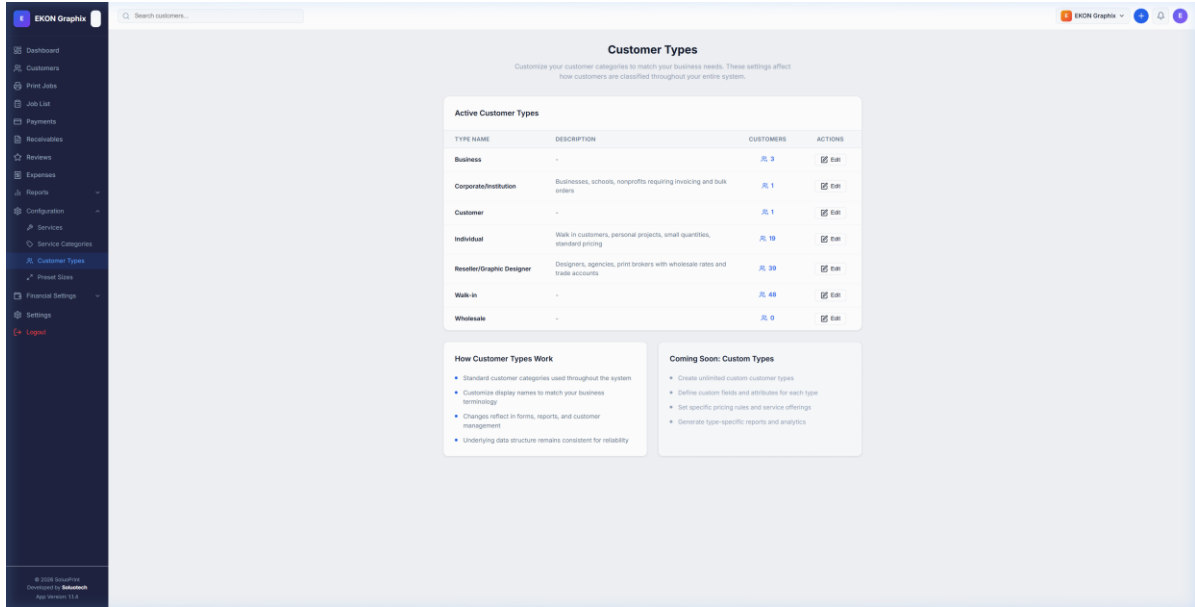

Figure Evidence: 20. Customer Types & Tiered Discounts

21. Payment Accounts Management

Configure cash drawers, mobile money merchant numbers, and bank accounts for payment collection.

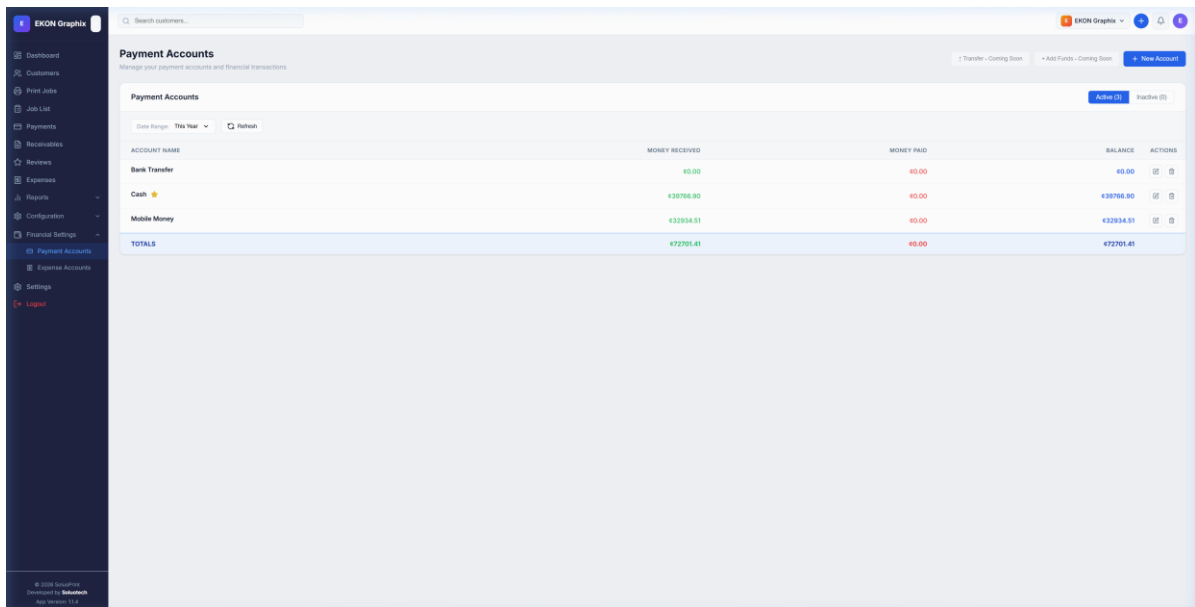

Figure Evidence: 21. Payment Accounts Management

22. Expense Accounts Management

Manage expense ledger accounts (Materials, Utilities, Equipment Maintenance, Payroll).

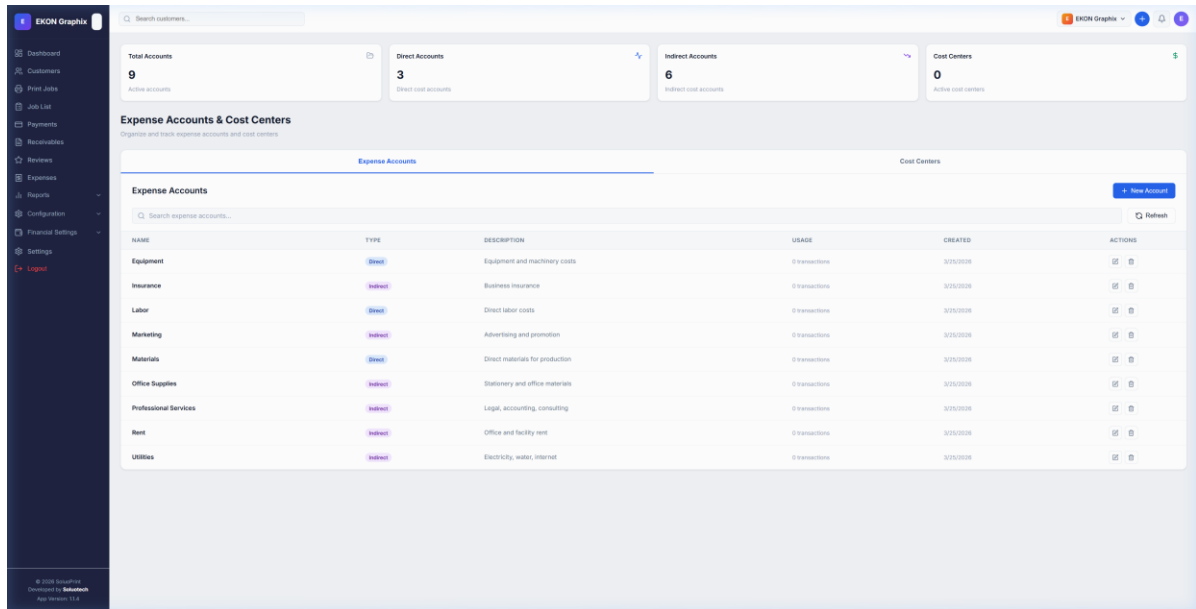

Figure Evidence: 22. Expense Accounts Management

23. Customer Self-Service Portal (CUST-BENM-8564)

Client-facing portal dashboard for customer CUST-BENM-8564 displaying total paid, remaining balance, active job list, and export tools.

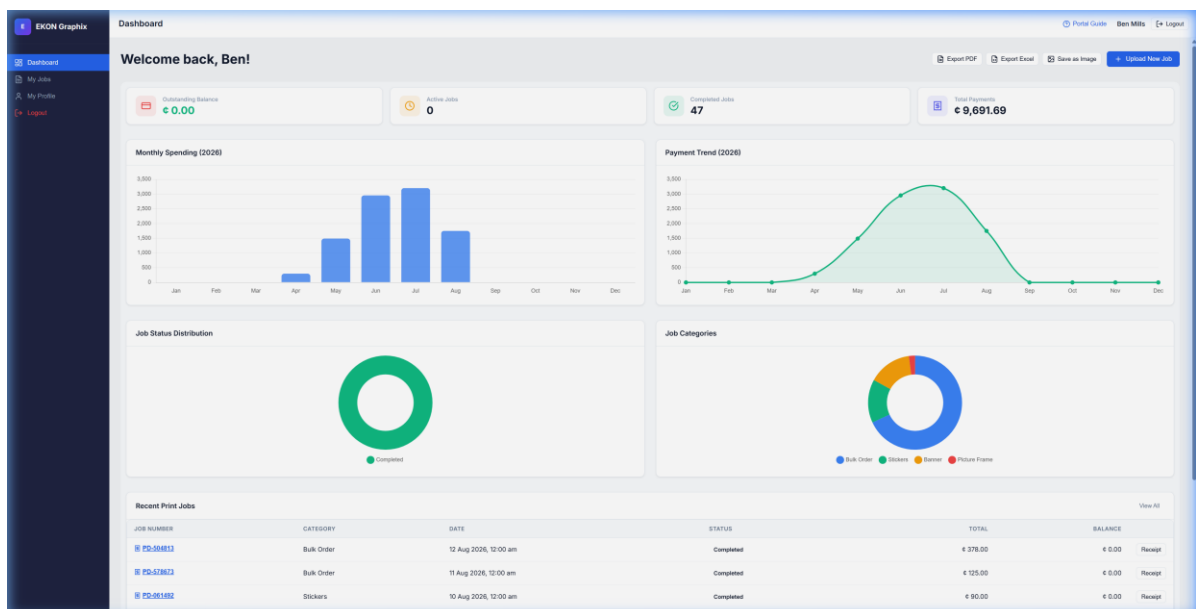

Figure Evidence: 23. Customer Self-Service Portal (CUST-BENM-8564)

24. Customer Job Intake Upload Modal

Self-service modal allowing customers to submit print specifications, enter custom dimensions, attach file artwork, and request quotes.

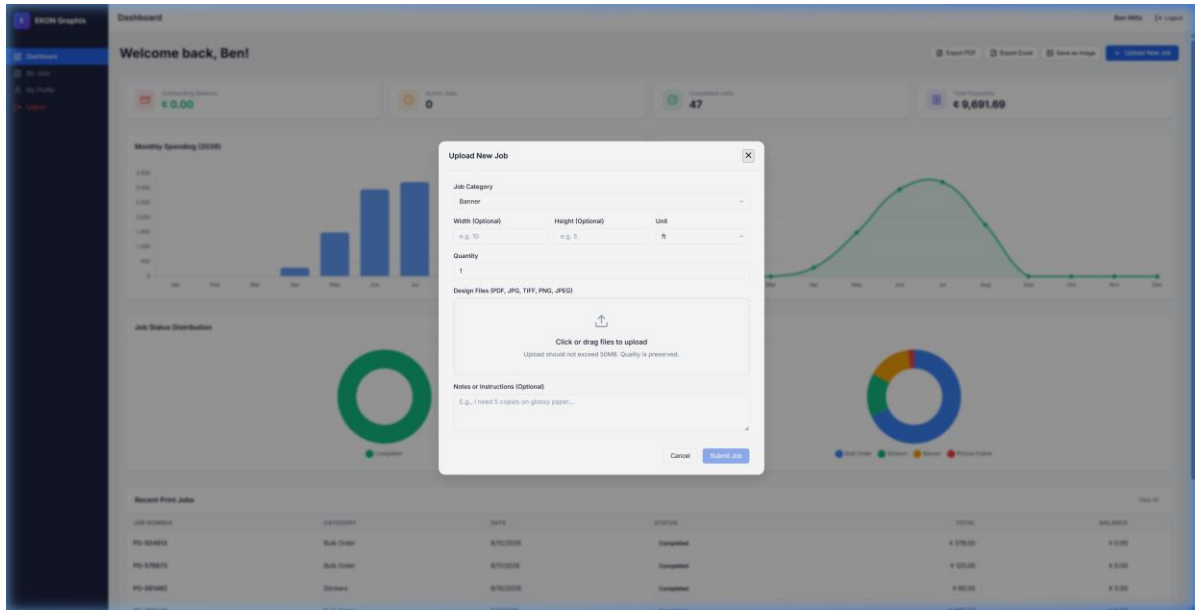

Figure Evidence: 24. Customer Job Intake Upload Modal

25. Payment Gateway Integrations Settings

Dedicated settings UI for configuring API keys and webhooks for Hubtel (Mobile Money), Paystack, and Flutterwave digital payment gateways.

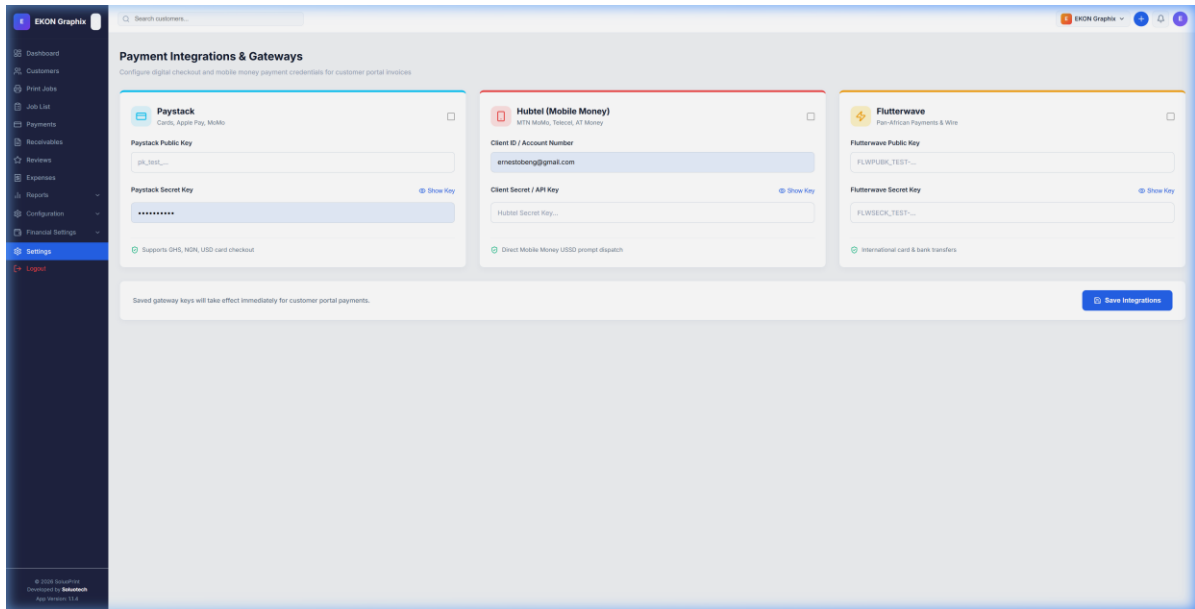

Figure Evidence: 25. Payment Gateway Integrations Settings

26. SMS Settings & Notifications Engine

Configure SMS provider credentials (smsonlineapi, Hubtel, Twilio), sender ID, API endpoints, and event notification triggers.

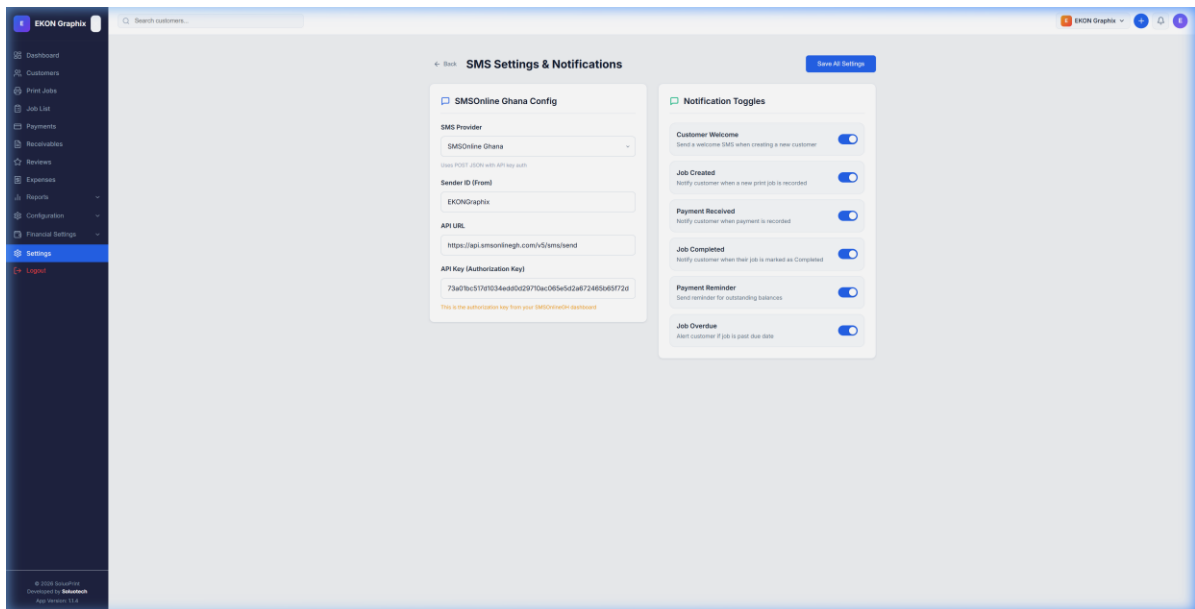

Figure Evidence: 26. SMS Settings & Notifications Engine

27. User Management & Access Control

Manage administrative staff accounts, press operator access rights, and security role assignments.

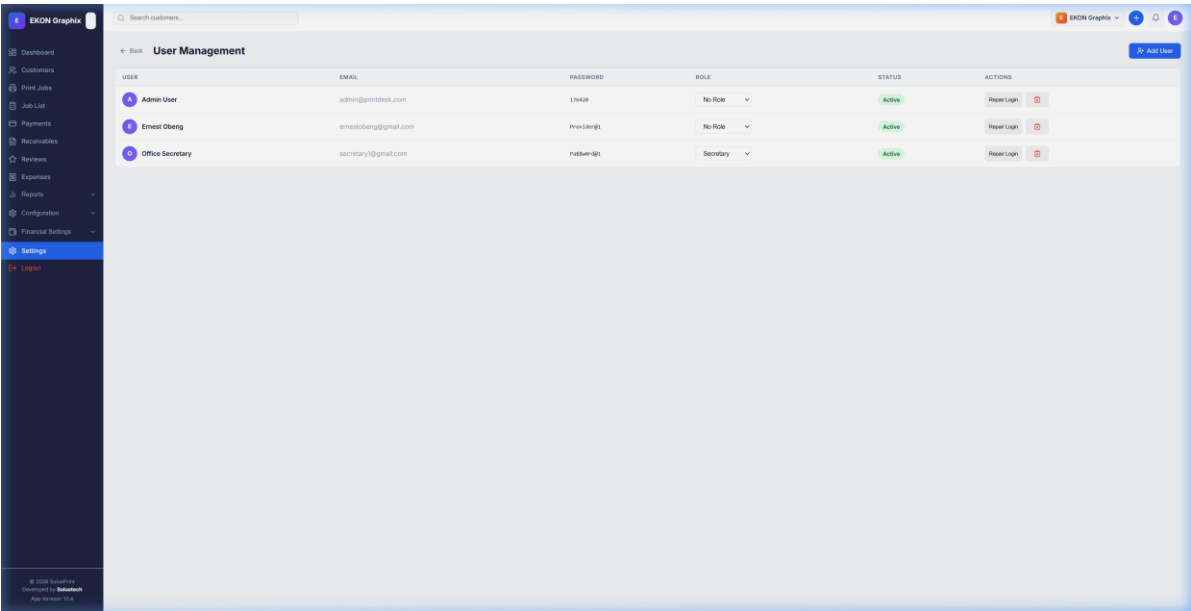

Figure Evidence: 27. User Management & Access Control

28. Customer Itemized Receipt & Online Checkout

Itemized customer invoice/receipt modal displaying order breakdown, date/time timestamps, and direct 'Pay Online Now' digital payment button.

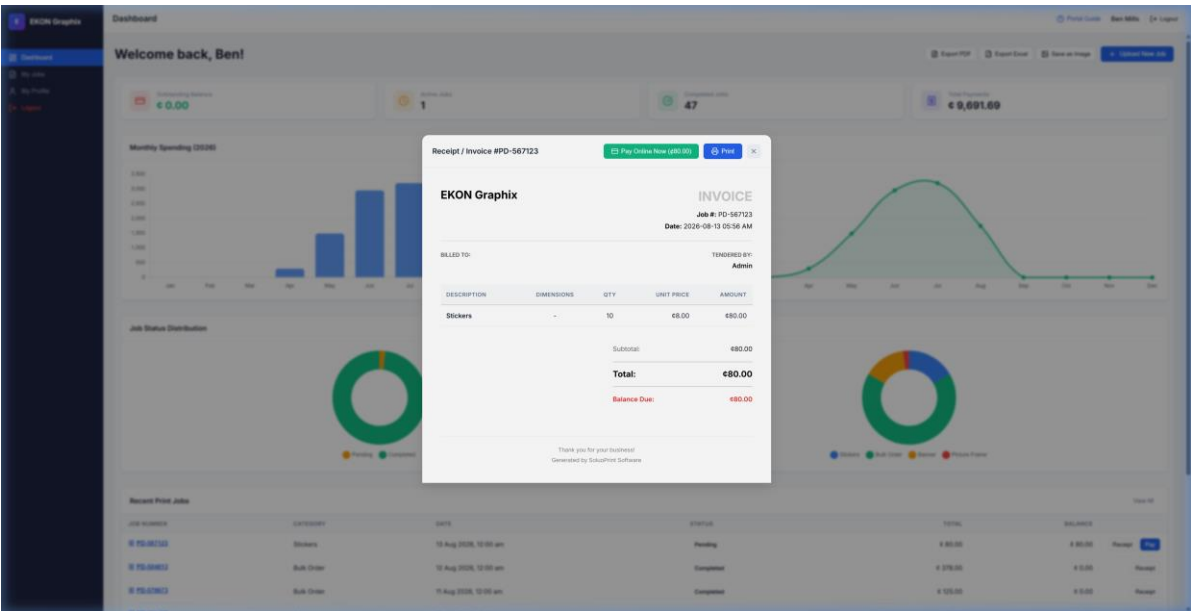

Figure Evidence: 28. Customer Itemized Receipt & Online Checkout
